INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
PRASAD Children's Dental Health Program, Inc.

We have audited the accompanying financial statements of PRASAD Children's Dental Health Program, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PRASAD Children's Dental Health Program, Inc. as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

PRASAD CHILDREN'S DENTAL HEALTH PROGRAM, INC.**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2015 AND 2014****Note 1 - Organization and Summary of Significant Accounting Policies****a - Organization**

PRASAD Children's Dental Health Program, Inc. was incorporated in 1998 and registered in the spring of 2000 as a New York State Article 28 Clinic to serve the dental needs of the indigent pediatric population of Sullivan County, New York. The PRASAD Project, Inc. is the Organization's sole member.

During the years ended December 31, 2015 and 2014, the Organization received 41% and 33%, respectively, of its unrestricted total revenue and other support through a grant agreement with The PRASAD Project, Inc. (Note 6).

b - Investments

The Organization reflects investments at fair value in the statement of financial position. Interest, dividends, and gains and losses on investments are reflected in the statement of activities as increases and decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or by law. Gains and other investment income that are limited to specific uses by donor-imposed restrictions are reported as increases in unrestricted net assets if the restrictions are met in the same fiscal year in which the gains and other investment income are recognized.

Fair value is an estimate of the exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (i.e., the exit price at the measurement date).

Financial instruments are categorized into a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input is significant to the fair value of the instrument.

The value of the Organization's certificates of deposit is based on quoted market prices in active markets and is therefore classified within Level 1.

c - Accounts Receivable

The Organization does not anticipate any losses on accounts receivable.

PRASAD CHILDREN'S DENTAL HEALTH PROGRAM, INC.**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2015 AND 2014****Note 1 - Organization and Summary of Significant Accounting Policies (continued)****d - Unconditional Promises to Give and Contributions**

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor - restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the allowance method to determine uncollectible promises to give. The allowance, when necessary, is based on prior years' experience and management's analysis of specific promises made.

e - Property and Equipment

Property and equipment are reported at cost or, if donated, at the fair market value at date of receipt. Depreciation is computed using the straight-line method over the estimated useful life of the asset.

f - Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

g - Tax Status

PRASAD Children's Dental Health Program, Inc. is a not-for-profit corporation exempt from federal income taxes under section 501 (c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation.

h - Subsequent Events

The Organization has evaluated subsequent events through August 17, 2016, the date that the financial statements are considered available to be issued.

Note 2 - Certificate of Deposit

At December 31, 2015, the Organization holds a certificate of deposit with a maturity date of May 17, 2016. Cost basis approximates fair value at December 31, 2015.

PRASAD CHILDREN'S DENTAL HEALTH PROGRAM, INC.
